

CALIFORNIA TRANSPORTATION COMMISSION

**Delegation of Allocation Authority to
the Department of Transportation for
Local Street and Road Pavement Rehabilitation Projects
Programmed in the STIP**

**Resolution G-01-04
Replacing Resolution G-99-09**

- 1.1 WHEREAS, the California Transportation Commission (Commission), pursuant to Government Code Section 7 and 14512, may request that the Department of Transportation (Department) perform such work as the Commission deems necessary to carry out its duties and responsibilities; and
- 1.2 WHEREAS, the Commission, pursuant to Government Code Section 14533, is authorized to allocate funds for transportation projects programmed in an adopted State Transportation Improvement Program (STIP); and
- 1.3 WHEREAS, program requirements have been met by adopting each local street and road pavement rehabilitation project into the STIP; and
- 1.4 WHEREAS, the Commission must allocate funds for each of these local street and road pavement rehabilitation projects before local agencies can be reimbursed for these projects; and
- 1.5 WHEREAS, the delegation of local street and road pavement rehabilitation allocation authority to the Department would greatly reduce the volume of routine financial transactions submitted to the Commission for approval and increase the efficiency of the Department in the delivery of funds for the construction of these city streets and county highway projects.
- 2.1 NOW THEREFORE BE IT RESOLVED, that the California Transportation Commission hereby delegates to the Director of the Department of Transportation the authority to allocate funds to local street and road pavement rehabilitation projects programmed in the STIP; and

- 2.2 BE IT FURTHER RESOLVED, that the Department shall allocate the funds in accordance with the latest Commission adopted STIP Guidelines; and
- 2.3 BE IT FURTHER RESOLVED, that if a local street and road pavement rehabilitation project or project component programmed in the STIP is ready for implementation up to two years early, the Department may advance the allocation; and
- 2.4 BE IT FURTHER RESOLVED, that local street and road pavement rehabilitation projects requesting allocations greater than the programmed amount or the amount allowed under Commission adopted STIP Guidelines or that have a change in scope shall be brought forward by the Department for Commission allocation; and
- 2.5 BE IT FURTHER RESOLVED, that delegated authority to fund projects with State-only funds may be used only for projects that meet the Commission's State-only funding policy; and
- 2.6 BE IT FURTHER RESOLVED, that the Department shall provide the Commission with a monthly report on allocations made under this delegation; and
- 2.7 BE IT FURTHER RESOLVED, that the Department shall provide the Commission with a monthly report on allocation advancements made under this delegation in the context of allocation capacity for current year programmed projects.
